

2013 PROJECT BENEFICIARIES

I. “BAYANIHAN SA DFP” PROJECT

The main objective of the project is the construction of Duty Free stores in new international gateways and tourist destination areas to augment existing service facilities for Balikbayans and international travelers. This will provide additional venues for Balikbayans and OFWs to purchase duty- and tax-free merchandise and to avail of their special shopping privileges. This will also generate additional foreign exchange and revenue for the government.

BENEFICIARIES:

The project will benefit all international travelers including Overseas Filipino Workers and Balikbayans who fly directly to their respective provinces. The generation of additional foreign exchange will also mean additional funds for tourism projects.

II. “ANG BAGONG ANYO NG DFP” PROJECT

The main objective of the project is to transform DFP stores into world-class travel retail facilities consistent with current international standards.

BENEFICIARIES:

The project will benefit all international travelers including Overseas Filipino Workers and Balikbayans who fly directly to their respective provinces.
